

# Baffin Regional Chamber of Commerce

## **Constitution**

### MANDATE:

To act as a representative body on all matters affecting the business community in the Baffin Region.

### OBJECTIVES:

1. To promote, encourage and develop trade and commerce within the Baffin Region and between the Baffin Region and other parts of Canada and elsewhere.
2. To generally support the principle of the free enterprise system and to encourage within the trade and service area of the Baffin Region the development of new and existing industries and businesses.
3. To encourage a high standard of integrity among its members.
4. To advise or make representations to all levels of Government on any matters affecting the objectives of the Chamber.
5. To promote the Baffin Region tourism industry.
6. To make recommendations for improvements to communications and transportation.
7. To stimulate interest in public affairs and to encourage the free exchange of opinion and thought.
8. To make available where possible sources of information to its members respecting general regulations affecting business and industry in the Baffin Region.
9. To exchange information with other Chambers of Commerce, Boards of Trade and other organizations.
10. To promote and encourage the participation of the Baffin Region business and industry in the development of primary industry and resources in the Northwest Territories.
